BACHELOR OF EDUCATION (SECONDARY EDUCATION)

As part of the Bachelor of Education (Secondary Education), you will specialise in either one or two secondary school curriculum areas. You can choose to major in English, Mathematics, Science, Humanities and the Social Sciences (HASS), or The Arts.

Below is a diagram which outlines how you can customise your degree to suit your passions and interests.

CUSTOMISE YOUR DEGREE

CHOOSE YOUR EDUCATION MAJOR

- English
- HASS* (Geography)
- HASS* (History)
- HASS* (Economics)
- HASS* (Politics & Law)
- Mathematics
- Science (Biology)
- Science (Chemistry)
- Science (Human Biology)
- Science (Psychology)
- Science (Physics)#
- The Arts (Drama)
- The Arts (Media Production & Analysis)
- The Arts (Visual Arts)

* Humanities and Social Sciences

Physics must be taken with a Mathematics minor teaching area

COMPLEMENT YOUR MAJOR WITH ONE OF THE FOLLOWING OPTIONS¹

OR

MINOR TEACHING AREA

A second teaching area that is different to your major teaching area:

- English
- HASS - Humanities
- HASS - Social Sciences
- Mathematics
- Science - Biological Sciences
- Science - Physical Sciences
- Science - Psychology
- The Arts - Performing Arts
- The Arts - Visual Arts.

¹ Your choice of second specialisation is dependent upon the education major and subject you select.

OR

BROADEN YOUR MAJOR TEACHING AREA

Additional discipline content in your major teaching area subject:

- Broadening Biology
- Broadening Chemistry
- Broadening English
- Broadening HASS for Economics
- Broadening HASS for Geography
- Broadening HASS for History
- Broadening HASS for Politics & Law
- Broadening Human Biology
- Broadening Mathematics
- Broadening Performing Arts
- Broadening Psychology
- Broadening Visual Arts.

plus
